

Susie Scientist

123 Linus Pauling Way, Corvallis, Oregon 97331

541-123-4567; scientists@onid.orst.edu

Objective

To contribute my attention to detail and problem-solving skills, gain further experience in either field work or a scientific laboratory, and work towards the goal of a career in marine science.

Education

Bachelors of Science, Biology

Minor: Oceanography

GPA: 3.56

Oregon State University, Corvallis, Oregon

Expected Graduation: June, 2014

Relevant Coursework

Introduction to Statistics

Environmental Science

General Chemistry

Introduction to Atmospheric Science

Oceanography (in progress)

Ecology

Skills and Interests Profile

- Ability to follow complex laboratory procedures with a high attention to detail
- Academic focus on science and research, with multiple laboratory classes completed
- Proficient in Microsoft Office applications, including Excel
- Strong interest in climate change, atmospheric science, and oceanography
- Certified in SCUBA and First Aid
- Conversational Spanish skills

Experience

Oregon Coast Aquarium Volunteer

June, 2010

Oregon Coast Aquarium, Newport, Oregon

- Assisted with a weekend marine science retreat for 100 grade school students at the Oregon Coast Aquarium.
- Led activities for a group of 10 5th-graders, and provided education on coastal habitats.

Science Tutor

Oregon Public High School, Portland, Oregon

2008-2009

- Reviewed biology and chemistry coursework for 2 high school sophomores on a weekly basis.
- Assisted with the preparation of lab reports and science projects.

Lifeguard

Portland Public Swimming Pool, Portland, Oregon

Summers, 2007-2009

- Supervised staff of 5 lifeguards and monitored safety of pool users.
- Gave swim lessons to children ages 5-7 and provided water safety instruction to small groups.

Awards and Activities

State Science Fair Bronze medal winner, 2009, for project on Oregon coastal habitats

All-State Swimming, 2006-2009, Oregon Public High School District
