

BI 410 INTERNSHIP APPROVAL FORM

This form is for Biology and Zoology majors only. It is not intended for students participating in internships abroad which receive INTL credit through OSU Education Abroad. It cannot be used for medical experiences - contact the College of Science about options. Students should read the BI 410 Internship Instructions carefully, and completed forms should be submitted to Cordley 3029 or faxed to 541-737-0501 before the internship. OSU students are prohibited from signing an employer/organization's hold-harmless or indemnity agreement on behalf of OSU and students should not sign these agreements as a condition to accepting an internship. For questions, call 541-737-2993, stop by Cordley 3029 or see the information at <http://oregonstate.edu/internships/internship-overview>.
